

SCABC AGM Webmaster Report 2019

Over the past year our Senior's of BC (SCABC) website has been visited by members and interested visitors. As of April 27th, 2019, our website has had 30,265 views. We continue to have requests from numerous websites to be listed in our resources. Many of these requests are from US companies, as most of their information does not relate to Canadians, we decline their request. However, there are a few resources that have been added to our resource's links. Be sure to check them out as there is so much information that does relate to our members and their needs.

Many hours were put into getting the Buy~Sell~Trade~Give-away option up and running, so it is most discouraging that very few folks have taken advantage of this option. You know the saying, "Use it or lose it" and we could very well lose it because of lack of interest.

The webmaster (Lorrie Bradford) would like to hear from you as to what you would like to see on the website.

As of May, after the SCABC AGM, Eugene, and Lorraine (Lorrie) Bradford will be Full-time RV living and travelling all over Canada and the USA. Lorrie will continue to manage the website as that can be done from anywhere, as long as we have internet access.

Eventually we will be looking for a new "webmaster" so keep that in mind for the future.

Respectfully,

Lorraine Bradford 2nd Vice President, Webmaster.
